# **ACKNOWLEDGEMENT**

We take this opportunity to express our profound sense of gratitude and deep regards to our faculty Mr. CHANDAN MUKHERJEE for his exemplary guidance, monitoring and constant encouragement throughout the course of this project. The blessing, help and guidance given by him time to time shall carry us a long way in the journey of life on which we are about to embark. We are obliged to our project team members for the valuable information provided by them in their respective fields. We are grateful for their cooperation during the period of our assignment.

# **PROJECT OBJECTIVE :**

- This website helps to increase the legitimacy of an NGO/organization
- This website helps current and future donors, and partners verify the existence of a organization and make them look more 'real'. A website contributes to making an organization look more professional when applying for donations, grants, scholarship, etc., and gives donors and partners a place where they can go to find more information about your organization.
- At the very least, a website can provide others with up-to-date contact details and an address for your organization (both of which can be hard to come by). More robust websites will feature information about the organization, an overview on the projects / programs they run, updates, reports, staff bios, and may even be able to gather donations

## **PROJECT SCOPE :**

- The system will be available on an online platform for 24x7 access to the donors , the faculty and the administration
- The system will support online donation, e-learning, skill development program, blood donation camp information, love food give food, apply online for scholarship etc.
- The system will provide social interaction tools to enable out-of-class interaction among the user, donor, the faculty and the administration.
- This website also let you to do volunteering for many program such as ,Skill development program, blood donation, love food give food etc.

## **PROBLEM DEFINITION :**

Our NGO Management system project has overcome a lot of problem which might exist in a normal NGO system. As we have included the facility of donating online. It will save a lot of time and effort of the people. People can donate money as well as their used clothes ,stationaries ,books etc.

We have limited the number of donation to one time per month for a particular person ,it can help in stoping corruption as many people convert their black money into white through NGO's.

We will also provide scholarship to the needy students.

It also include volunteering part so as to encourage the youth to take part in social task.

# **FUNCTIONAL REQUIREMENTS :**

- **USER** : A user can have the following functions :
  - **REGISTER**: A user can register itself to get access to the various features provided by the NGO.
  - **LOGIN**: After registration the user must have to login in order to access the features.
  - **DONATE**: A user can donate either money or materials like used clothes,books,stationaries etc to us.  
The donation procedure can be done in two ways either online or offline. In offline mode the said materials are to be send to the NGO address .
  - **VOLUNTEER**: Anyone can register themselves to take part in organizing and helping the NGO during the events

The selection of volunteer is totally decided by the authorities.

➤ **E-LEARNING:** The NGO provides a free e-learning facilities in which a user can avail the use of basic learnings upto class 10. We provide notes and e-books here.

➤ **SCHOLARSHIP:** The NGO also provide scholarships to the needy ones. The needy candidates can fill-up the scholarship form in order to get scholarship.

The process of selecting the candidates is totally decided by the authorities.

- **ADMIN :**An admin can access and control the features of the NGO. It have the following work function :

➤ **LOGIN:** The admin must login ,in-order to have the access.

➤ **CREATE AND DELETE EVENTS:** The admin can add upcoming events in order to know the user about the events. He/ She can

also delete the events which have already occurred.

- **DELETE, UPDATE AND SEARCH:** The admin can delete any volunteer or candidates if any situation occurs .He/She can also update or search the required information about any user.
- **SELECTION OF CANDIDATES:** The admin have the power of selecting the appropriate candidates for the scholarship.
- **SEE REGISTERED CANDIDATES FOR SCHOLARSHIP :** The admin have the power of selecting the appropriate candidates for the scholarship.
- **VIEW CONFIDENTIAL DETAILS:** The admin can have a look over the NGO confidential details like the NGO funds,trustees etc.

# **HARDWARE / SOFTWARE REQUIREMENTS**

- HARDWARE REQUIREMENT:**

- **CLIENT SIDE :** PROCESSOR :- 1.8 GHz.  
MOTHERBOARD :- According to the processor requirement  
RAM :- 2GB.  
FREE DISK SPACE :- 300MB  
INTERNET CONNECTION.
- **SERVER SIDE :** PROCESSOR :- 3.2 GHz.  
MOTHERBOARD :- According to the processor requirement  
RAM :- 8GB.  
FREE DISK SPACE :- 1 GB

## • **SOFTWARE REQUIREMENTS :**

➤ **CLIENT SIDE** : Operating System for Client  
(Any One) :-

Windows 10 / Windows 8.1 or 8 / Linux any  
version / Mac etc.

Browser (Any One) :-

Google Chrome, Microsoft Edge, Mozilla Firefox 40.0

➤ **SERVER SIDE** : Operating System for Server  
(Any One) :-

Windows 2012 Server or Red hat or Fedora Linux  
Server etc

Application Server : Wildfly 10

Database: - MySQL

Database Connection using JDBC TYPE 4 Driver.

User Interface Created Using HTML 5 /STRUTS 2  
TAG LIBRARY

SERVER SIDE COMPONENT: JAVA SERVER

PAGES (JSP), ACTION CLASS

FRAMEWORK USED :- STRUTS 2

ARCHITECTURE – MVC 2.0

IDE Used : Eclipse Oxygen

## VOLUNTEER CRITERIA

**How can you support us as volunteer?**

You don't have to spend money if you can't. You can give them your time.

Some activities volunteers do are :-  
>Teaching: You need to visit the orphanage and teach any subject of your choice to the children there.  
>Whenever there is a calamity or a crisis you can help them by collecting and distributing the things they need.  
>Visit our orphanage and spend time with kids.  
>Environment related activities like educating people on less usage of plastic and planting trees.  
>Help conduct events and programs for them.  
>Advertise the activities of the NGO and help in fund raising.

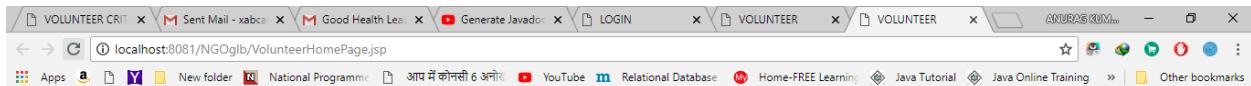

**TERMS AND CONDITION**

>Volunteer age limit is 20 to 50 years.  
>Volunteer should actively and willingly participate in events they are selected for. Any volunteer who fails to participate should provide a written application 10 days before the event.  
>Volunteer who fails to participate in two consecutive events shall be resigned from the post.  
>Volunteer should have good communication skills and friendly nature while communicating with children.  
>Volunteer should have proper knowledge of the subject they are sharing.

Once you click I agree to the above mentioned criteria, you will be filling a form. A selection procedure shall be followed.  
Selected candidates will be notified with a date for collection of Volunteer Card.

# KEEPING THE TRACK OF THE TOTAL FUND AVAILABLE AT THE PRESENT DATE

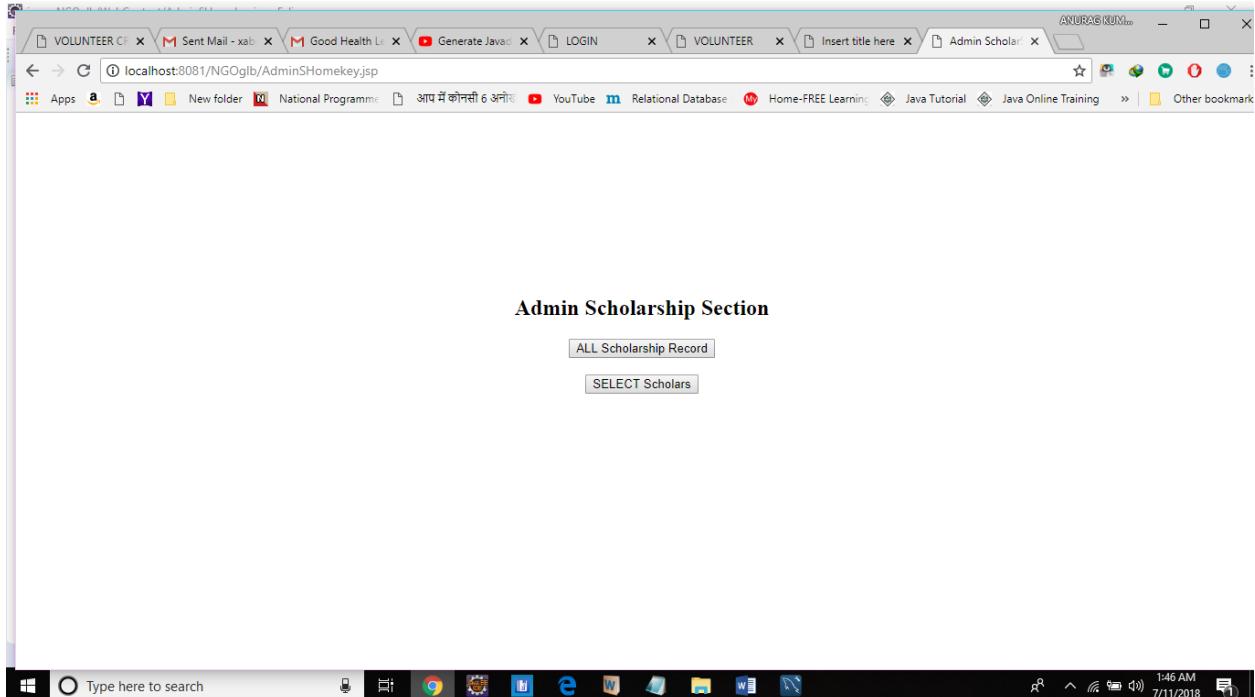

## LIST OF OUR TOP DONARS

The screenshot shows a Windows desktop environment with a web browser window open. The browser's title bar reads "ANURAG KUM...". The address bar shows the URL "localhost:8081/NGOglb/TOPDONAR". The main content area of the browser displays the heading "OUR TOP HONORABLE DONARS" in bold. Below it is a table with 15 columns, each corresponding to a different field: NAME, EMAIL, MOBILE NO., DATE OF BIRTH, MONTH OF DONATION, YEAR, PAN NO., AMMOUNT, PIN CODE, ADDRESS, CITY, STATE, COUNTRY, and PAYMENT MODE. The table contains five rows of data, each representing a donor. At the bottom of the table, there is a note: "Total Donars : 5". Below the table, the Windows taskbar is visible, showing various pinned icons and the system clock indicating 1:45 AM on 7/11/2018.

## **FUTURE SCOPE OF IMPROVEMENTS**

**DUE TO LIMITED TIME PERIOD THERE WERE FEW AREAS WHICH WE WERE NOT ABLE TO COVER. IF IN FUTURE WE GET THE CHANCE OF IMPROVISING THIS PROJECT THEN SURELY WE WILL IMPROVE.**

**THE AREAS WHICH WE CAN IMPROVE ARE :**

- 1) WE WISH TO ADD ADOPTION FACILITY OF A CHILD FOR THE NEEDY ONES DETERMINED AS PER CERTAIN CONDITION AND CRITERIA FOR THE ADOPTION PROCESS.**
- 2) WE CAN INCREASE THE REGION OF ALLOTING VOLUNTEERS SO AS WE CAN PROVIDE AS MUCH AS SOCIAL HELP NEEDED TO THE SOCIETY THROUGH THESE VOLUNTEERS.**
- 3) WE WILL TRY TO FEED THE HOMELESS PEOPLE ATLEAST ONE TIME A DAY SO NO ONE CAN SLEEP WITH AN EMPTY STOMACH.**
- 4)WE WILL ALSO TRY TO CONDUCT SOME EDUCATION CAMPAIGN FOR THE NGO CHILDREN WHICH WILL HELP THEM INCREASING THEIR KNOWLEDGE**

**THIS WILL ALSO IMPROVE THEIR SKILLS OF INTERACTION AND COMMUNICATION**
